In the event of a drawn result at fulltime the result will be decided in the following manner

Two players from each team will be removed from the field, teams will be allowed a maximum of 4 players on the field less any player sent off during the match

If a team started the game with 5 players only one player will be removed to bring the 2 teams even

One period of five (5) min extra time will be played. 1st team to score in extra time will be declared the winner

If no goals are scored in this period of extra time one player from each team will be removed from each team

The game will continue in five minute periods until a goal is scored.

No more players shall be removed from the field unless there is a send off.

2 players is minimum allowed for each team, if a team is reduced to less than 2 players through send offs the opposition will be declared the winners

Teams will change ends at the end of every period with alternative kick-offs

There will be no breaks between changes

During this periods substitutions will be as normal including players which were removed from the field but not sent off players
